

INDUSTRIAL EXHIBITION @EOSAM 2016⁽¹⁾

Berlin, Adlershof, 26-30 September 2016

⁽¹⁾Wednesday 28 – Thursday 29 September 2016

The European Optical Society Bi-Annual Meeting once again takes place in Adlershof, Berlin in 2016. In 2014 we held successful topical meetings in the same surroundings and wish to build on this for year 2016. The EOSAM 2016 will include tutorials for students, various topical meetings, as well as an industry exhibition and more.
